

St. Xavier's University commences 2 year Executive MBA programme

EOI CORRESPONDENT

KOLKATA, AUG 23/- St. Xavier's University, Kolkata announced the commencement of their first batch of 2 Year Executive MBA Programme. This is yet another milestone in the history of the newly christened and world class university in the City of Joy.

The Inaugural programme was graced by Rev. Dr. John Felix Raj, Vice Chancellor, Prof. Ashis Mitra, Registrar, Dr. Sitangshu Khatua, Dean Xavier Business School and other important dignitaries of the university.

Rev. Dr. John Felix Raj, Vice Chancellor, St. Xavier's University was overwhelmed with joy and satisfaction in welcoming the professionals for the first time in the portals of the university for knowledge enrichment and career advancement. He further reiterated that this initiative will immensely benefit the student's fraternity of our university. The entry of professionals

into these career enhancement courses will undoubtedly help the university to bridge the existing gap between the industry and academia. This endeavour will also open up a new vista for young minds intending to be part and parcel of the corporates or industry for various internships projects and hiring process.

The 2 Year Executive MBA Programme has specifically designed for the working professionals intending to make a mark in their

respective fields with forgoing their existing association with various organisation. The classes for these professionals will be held on weekends i.e. on Saturday and Sundays by the faculties of Xavier Business School and stalwarts from the industry. The launch of 2 Year Executive MBA Programme marks the commitment of the university in bringing quality and holistic education for all segments of our society.
