Deloitte Haskins & Sells LLP

Date: Thursday, 26th February 2026

Time: 10:30 am. - 12:30 pm.

Convener: **Tanmayananda Chattaraj** (Assistant Professor, Faculty of Commerce & Management)

Co-convener: **Dr. Mukund Mishra** (Assistant Professor, Faculty of Commerce & Management)

Brief profile of the Resource Person:

Jayeeta Pal is a Director in Deloitte's Global Transfer Pricing Centre (GTPC) in India with over 19 years of experience in international taxation and transfer pricing. She specializes in transfer pricing planning, implementation, and global documentation for multinational enterprises.

Her expertise lies in leading large, multi-country documentation projects, designing efficient process-driven frameworks, and implementing technology-enabled solutions across the transfer pricing lifecycle. She has extensive experience in managing complex global engagements, cross-border stakeholder coordination, and streamlining documentation processes to enhance quality and compliance.

Jayeeta serves as the GTPC central coordinator for the DCE region and supports engagements across EMEA and South Africa, driving operational excellence in global transfer pricing delivery.
