Message from the Vice-Chancellor

Father Lafont Centre for Excellence in Research and Innovation (LCERI), St. Xavier's University, Kolkata, has brought out in a single volume all the works published by the faculty members and administrators of SXUK between July, 2017 and June, 2021. This is a tribute to the University for its commitment to promote scientific research and publication.

We wish to congratulate all the contributors who find a place in this volume. Their works signify not only their intellectual acumen but also their passion for research. They have truly brought joy and pride to St. Xavier's University, Kolkata.

This volume, I am sure, will not only be a source of reference to all the faculty and students of SXUK, but also will be an inspiration for further academic research and publication. The publication of this booklet is a good beginning to LCERI. I thank Fr. Dr. S. Francis, Deputy Director, LCERI, and Dr. G.
