## Message from The Vice Chancellor

It is my pleasure to introduce St. Xavier's University, Kolkata, an institution founded on the principles of Jesuit values and academic excellence. Our mission is to nurture professionals who are not only skilled but also compassionate and socially responsible.

### About Xavier Business School:

As a premier institution for management education, Xavier Business School (XBS) embodies this vision. Our MBA programme is designed to equip students with practical expertise, analytical acumen, and leadership qualities, making them valuable assets in any corporate setting.

### Our Future-Ready Professionals

In today's rapidly evolving business landscape, our students are trained to adapt, innovate, and deliver from day one. Their achievements in academics, internships, and projects reflect the holistic education they receive under our Jesuit tradition.

### An Invitation to explore:

I invite you to witness the potential of our young professionals, who represent the promise of today and the leadership of tomorrow.

**Rev. Dr. John Felix Raj, S.J.**  
Vice-Chancellor,  
St. Xavier's University Kolkata

## Message from The Dean

Xavier Business School is proud to present a cohort of professionals who are ready to deliver, lead, and grow in today's dynamic business ecosystem. Here, we believe in shaping leaders who are not just industry-ready, but future-ready.

Rooted in Jesuit values of excellence and integrity, our MBA program focuses on building holistic business acumen—grounded in ethics, innovation, and execution. Our students are nurtured through a rigorous curriculum, industry-focused pedagogy, and immersive learning experiences that combine academic depth with practical wisdom.

What sets our students apart is not just their technical proficiency or analytical skill, but their adaptability, leadership potential, and ethical grounding. Whether it's Marketing, Finance, HR, or Business Analytics, they are equipped to contribute meaningfully from Day One—and evolve rapidly with your organisation's growth. They are a rare blend of agility, emotional intelligence, and business sensibility, making them not just Job-ready but also future-ready.

We warmly invite you to engage with the talent pool at XBS. Partner with us in this transformative journey, and discover individuals who will be your brand custodians, problem-solvers, and future leaders.

Let us collaborate in building organisations that don't just thrive in the present—but shape the future.

**Prof (Dr.) Sitangshu Khatua**  
Dean, Xavier Business School  
St. Xavier's University, Kolkata

# ABOUT XAVIER BUSINESS SCHOOL

Xavier Business School (XBS), under the umbrella of St. Xavier's University, Kolkata, offers a two-year full-time MBA Programme (AICTE Approved) with specializations in Finance, Marketing, Human Resources, and Business Analytics.

Established in August 2018, XBS is a proud member of the Xavier Association of Management Institutes (XAMI) and is committed to delivering quality management education. In a significant achievement, XBS has been awarded the prestigious NBA Accreditation, a recognition of its academic excellence and commitment to continuous improvement.

In keeping with its vision to meet the evolving needs of working professionals, XBS launched its Executive MBA Programme from the academic session 2024, which is running successfully and receiving encouraging responses.

Rooted in the Jesuit tradition, XBS follows the Ignatian charism to form leaders who are competent, committed, compassionate, and service-oriented. Xavier Business School upholds its motto "Nihil Ultra-Nothing Beyond"-reflecting its pursuit of excellence and leadership.

The MBA curriculum is designed to stay aligned with contemporary industry requirements, blending academic rigour with practical insights. Our pedagogy emphasizes both theory and experiential learning, supported by a team of experienced full-time faculty and distinguished visiting faculty from industry and academia.

Students engage in G-Talks, panel discussions, workshops, and seminars/webinars to gain real-world exposure. Beyond academics, XBS fosters holistic development through co-curricular and extra-curricular activities, encouraging teamwork, cultural sensitivity, and social responsibility.

At XBS, students are nurtured in an inclusive environment that feels like a home away from home, preparing them to be future-ready leaders in a dynamic global business environment.

# CO-CURRICULAR & EXTRA CURRICULAR ACTIVITIES

At Xavier Business School, a distinguished Jesuit institution in Kolkata, student life is a vibrant tapestry woven from academic rigor, cultural enrichment, and personal growth. The school emphasizes a holistic development model, preparing students not just for successful careers but for meaningful lives. This philosophy is rooted in fostering leadership, community engagement, and a profound commitment to excellence in all pursuits.

A strong belief in experiential learning drives the academic culture. Students actively participate in numerous intercollegiate competitions, from complex case study analyses to innovative pitch contests, consistently showcasing their strategic thinking on a national stage. These opportunities are complemented by business events and panel discussions where students interact directly with industry leaders, building essential professional networks and gaining valuable business insights.

The school's commitment to student well-being extends beyond the classroom. It provides extensive resources for both physical and mental health, including sports facilities and stress management support, ensuring students are holistically prepared for their future endeavors. Furthermore, students engage deeply in community service, leading projects that uplift marginalized groups and promote sustainability through educational programs and environmental initiatives.

Cultural expression is a cornerstone of campus life, showcasing the rich talents of students through music, dance, theater, and visual arts. To ensure a thriving yet secure environment, the institution has also implemented comprehensive safety measures for all events and workshops. This allows students to participate fully and safely in the wide array of academic, cultural, and community activities offered.

## XAVIESTA

Xaviesta is the flagship annual fest of Xavier Business School, Kolkata, celebrated as one of the most awaited and dynamic events in the B-school circuit. It serves as a vibrant platform where leading business schools from across the country come together to showcase talent, drive innovation, and build meaningful collaborations. With its unique blend of competition, creativity, and celebration, Xaviesta captures the true spirit of leadership and learning.

Beyond the competitions, Xaviesta is a vibrant celebration of ideas, diversity, and connections. It brings together future leaders to network, collaborate, and exchange perspectives that last far beyond the festival itself. With its energetic atmosphere, impeccable organization, and commitment to excellence, it stands as a must-attend highlight of the B-school calendar—perfectly reflecting Xavier Business School's ethos of "Igniting Excellence and Inspiring Leadership" while leaving every participant enriched, inspired, and motivated to excel.

## HR CONCLAVE CONVERGENCE

The HR Conclave at Xavier Business School, Kolkata, is a flagship annual event that serves as a premier platform for meaningful interaction between aspiring HR professionals and seasoned industry leaders. Bringing together HR experts from diverse sectors, it offers students and professionals a unique opportunity to engage in insightful discussions, share experiences, and explore emerging trends in human resources. The event's highlight is its series of thought-provoking panel discussions, where industry veterans delve into contemporary HR challenges, best practices, and the evolving workplace landscape—covering themes from talent acquisition and employee engagement to the transformative impact of technology on HR processes.

Beyond the panels, the HR Conclave fosters open dialogue, encouraging students to ask questions, seek career advice, and build connections with established HR professionals. The inclusion of interactive workshops, case studies, and practical learning sessions ensures that participants leave with hands-on insights and skills that can be directly applied in their professional journeys. Embodying the spirit of collaboration, learning, and continuous development, the conclave not only broadens perspectives but also prepares the next generation of HR leaders to thrive in a dynamic and ever-changing business world.

## Academic Affairs Committee

The Academic Affairs Committee serves as a vital bridge between the student body and the faculty at Xavier Business School (XBS), ensuring a stimulating and supportive learning environment. It works to promote academic excellence, personal growth, and student satisfaction by addressing academic concerns, coordinating with the Dean for timely resolutions, and recommending improvements in curriculum scheduling and daily academic activities.

The committee keeps students informed about academic events, policies, and guidelines while ensuring adherence to institutional rules. It also oversees key initiatives such as strengthening industry-academia connect, addressing library and resource requirements, and implementing best academic practices. By facilitating seamless communication between students and faculty, the committee plays a pivotal role in enhancing academic priorities and creating an environment that nurtures both learning and development.

## Placement Committee

This cell is formed to interact with companies on a continuous basis in order to bring the optimum and best-fit career opportunities to the students of Xavier Business School (XBS) for both their summer internships and final placements. It also facilitates prospective employers by regularly organizing institute-industry interactions and providing complete logistical and administrative support for conducting placement activities on campus.

In addition, ancillary activities include publishing comprehensive placement brochures and annual placement reports, visiting leading companies to create greater awareness about XBS, inviting industry stalwarts for guest lectures, and hosting panel discussions as part of various academic and industry conclaves. The cell also works proactively to identify emerging sectors, establish new corporate partnerships, and maintain strong relationships with existing recruiters to ensure a diverse portfolio of opportunities. Through consistent engagement and strategic initiatives, it strives to bridge the gap between academic learning and industry expectations, ensuring that XBS students are well-prepared to excel in the professional world.

## Industry and Alumni Relations Committee

This committee acts as the crucial link between students, the corporate world, and the alumni network at Xavier Business School (XBS). By organizing impactful guest lectures and panel discussions featuring industry leaders, it enriches classroom learning and equips students with practical management insights. The committee further bridges generations of XBS talent by facilitating mentorship programs between accomplished alumni and current students, supporting career growth and professional development.

To strengthen alumni ties, the committee organizes the Annual Alumni Meet, assists students with placement prospects, circulates the alumni e-newsletter, and maintains a comprehensive alumni database. These initiatives foster lifelong connections, ensuring that XBS graduates remain engaged and connected to their alma mater.

16

## FINNOVATION

The club aims to foster interest in finance and investment on campus. Its initiatives span various verticals within the finance domain, including stock markets, investments, equity research, and financial policies. Through competitions, workshops, and career-focused events, the club provides students with opportunities to learn, engage, and grow. Dedicated to promoting awareness of different finance domains and career pathways, the club also connects with industry experts, hosting regular speaker sessions to give students firsthand insights into the practical aspects of finance. By blending education with real-world exposure, the club seeks to inspire and support students passionate about finance.

## PEOPLE ELEMENTS

The club encourages students to develop team spirit and leadership skills through active participation. Its primary goal is to equip members with industry exposure and up-to-date skills aligned with the latest HR requirements. It focuses on introducing students to modern HR practices and enhancing their decision-making abilities in challenging situations. Additionally, the club works to spark interest in Human Resource Management while nurturing essential interpersonal skills for the corporate world. By employing diverse and innovative approaches — including experiential learning, simulations, and real-world projects — the club aims to nurture future leaders in the HR domain.

17

## ANALYT-IQ

The club blends creativity and innovation in marketing with the analytical skills of business analytics. Covering areas like advertising, sales, branding, digital marketing, and media, it also introduces concepts such as data visualization, predictive modeling, and consumer behavior analysis. Through workshops, summits, and live projects, members learn to use data-driven insights to craft strategies, assess performance, and make informed decisions — preparing them for careers in marketing, analytics, and strategy.

## MARQUEST

The club is dedicated to keeping its members up to date with the latest trends and strategies in marketing. It leverages the diverse expertise of its members across areas such as advertising, research, sales, brand communication, digital marketing, and media. Through summits, workshops, and interactions with industry leaders, the club provides students with valuable exposure to real-world marketing practices. Regular events and activities help members enhance their understanding of market dynamics, consumer behavior, and brand management, preparing them for successful careers in the marketing domain.

## XAVIER ENTREPRENEURSHIP CELL

Xavier Entrepreneurship Cell (XEC) aims to create an entrepreneurial environment in the University by igniting the spirit of entrepreneurship among the students and encouraging them to contribute to the process of serving the needs of the community through their creativity and innovation and channelizing them into the path of creating potential business ventures. The cell not only nurtures the budding entrepreneurs but also provides them with the most advantageous opportunities in order to make sure that no stimulating proposition goes in vain.

It acts as a bridge between aspiring innovators and the resources they need, fostering a network of mentors, investors, and industry leaders. Through workshops, competitions, and hands-on projects, XEC transforms ideas into impactful and sustainable enterprises.

## MADEQ-Management games, Debate and Quiz Comiittee

The Management Games, Debate, and Quiz (MADEQ) Committee brings together dynamic, analytical minds to craft engaging experiences that blend business acumen with corporate ethics, offering a relaxed yet enriching learning environment. Through its diverse activities, MADEQ works to empower individuals to become confident creators, persuasive communicators, inspiring leaders, and strong believers in their own potential — serving as a catalyst in their transformative MBA journey.

## XANSKRITI

Xanskriti at Xavier Business School provides students with opportunities to relax and enjoy campus life amidst the rigors of academics, while fostering cultural sensitivity — an essential trait in today's global business environment. By celebrating the campus's rich diversity through various events, it creates a warm, home-away-from-home experience for all. Serving as a platform for self-expression, Xanskriti encourages students to showcase their talents as musicians, dancers, actors, painters, photographers, and dreamers, capturing the vibrant spirit of XBS.

## XAVIER SOCIAL RESPONSIBILITY CELL

Social responsibility is a duty every individual must uphold to maintain a balance between the economy and the ecosystem. The most purposeful businesses aim to do far more than generate profits — they exist to address pressing social and environmental challenges. The Xavier Social Responsibility (XSR) Cell works to sensitize the institute's future business leaders to the importance of social responsibility. XBS strives to create meaningful change in society through grassroots-level engagement across sectors such as education, healthcare, and environmental sustainability. In an era when many companies view CSR merely as a legal obligation, our mission is to inspire awareness among XBS students about its true value — fostering a mindset that, as they rise to leadership positions, can transform the way industries approach social and environmental impact.

## INDUSTRY READINESS

Xavier Business School places significant emphasis on practical learning and regularly facilitates industry-institute interactions to provide students with valuable insights and networking opportunities. Through direct engagement with industry professionals, students enhance their educational experience and career prospects. Notable interactions include sessions with the NHRDN-Kolkata Chapter and guest lectures from distinguished industry leaders such as Sagar Daryani (Wow! Momo), Supriya Roy (Sugar and Spice), Mr. Jimmy Tangree (91.9 Friends FM), Ms. Ratna Sinha (VP-HR of Tata Group), Vikas Goel (Omnifin), Shri P.M. Prasad (CMD, Coal India), Mr. Avelo Roy (MD & Startup Mentor, Kolkata Ventures), Mr. Sumit Ray (COO, All India Technologies), and many more. These engagements serve to bridge the gap between academia and industry, preparing students to excel as future business leaders.

## SUMMER INTERNSHIP PROGRAM

At the end of their second semester, every Xavier Business School student undertakes a mandatory Summer Internship Programme (SIP) lasting 6 to 8 weeks. This crucial component of the MBA journey serves as a stepping stone to the corporate world, offering invaluable industry exposure in their chosen domains. SIP enables students to gain hands-on, real-world experience, sharpen their professional skills, and expand their industry networks. As part of the academic requirement, each student submits a detailed internship report and appears for a viva voce evaluation.

For the latest SIP cycle, all students were successfully placed across a diverse range of esteemed organizations, including Britannia, Innov Ultra Business Services, Srei Equipment & Finance, Axis Bank, SBI, Legrand, Reliance Retail, Aditya Birla, DSP Asset Management, Peerless Group, CK Birla, Godrej, PCBL, Eveready Industries, Keventers, NKDA, WESEDCL, Coal India, Ernst & Young (EY), Ultratech, PopskiLand, and many other reputed companies. This graded programme not only bridges the gap between classroom learning and industry practice but also equips students with the confidence and competence to excel as future business leaders.
