Message from the Dean

Greetings to all!

I am delighted to share that the fourth batch of students (batch of 2021-23) of Xavier Business School, St. Xavier's University, Kolkata have graduated with grace and honour. I am immensely glad to say that the campus placements for this year (2022-23) have been commendable with all our 100% students getting placed through our Placement Team. The placement committee had joined hand-in-hand with the student representatives towards building on the pillars and platform for this success.

XBS is home to plentiful young learners of business management who are on a sprightly journey of investigation and discovery into the field of management sciences with the motive and intent for self-development and contemporary knowledge creation. Starting in August 2018, Xavier Business School, St. Xavier's University, Kolkata managed to receive such a favourable and affirmative response from the industry not only because of the brand of "Xavier's" as our hallmark, but also due to several other factors like teaching pedagogy, disciplined environment on campus, skill enhancement courses, regular mentor-mentee programs, updated curriculum, co-curricular activities, outbound learning, developing behavioural skills, honing research skills, etc. The school provides world-class education along with building an intense and deep-rooted foundation for growth and enhancement of young minds getting ready to face the corporate world in style with courage, bravery, and audacity.

As Professor of HR & OB and Dean of this business school, I would like to cordially thank all our recruiters and our internal placement team for their instrumental role in the successful 100 % placements of our students in leading firms of the country. I would also like to genuinely thank our Faculty, Staff and all Placement Committee members for their tireless determination and efforts, which have resulted in the progression of the Institute in all spheres.

Finally, I congratulate each student who has completed their MBA at this institution this year in 2023 with brilliance, distinction, and excellence. My best wishes to them as they begin their new phase of life on a professional undertone.

STUDENT TESTIMONIALS

"After completing a 2 year full time residential MBA course at Xavier Business School, St. Xavier's University, I felt it was my right decision to join this course as I am keen in making investments in terms of time, which reaps excellent long-term returns. I can't thank the faculties at XBS enough to help me grow in these two years which eventually helped me grab a decent placement at Wipro Blackstone COE."

Keshav Rathi, MBA in Finance
Management Trainee, Wipro Ltd

"My life at XBS has been a roller coaster ride from attending classes to seminars to submitting assignments and meeting deadlines. I met people who became friends and then family without whom the hostel life would've been unimaginable. XBS helped me to get into Marico Ltd. which is one of the leading FMCG company in India dealing in hair oil, edible oil, men's grooming products (Beardo and set-wet), various food items, etc. I fall short of words as I express my gratitude towards XBS."

Soumyodeep Dasgupta, MBA in Marketing
Management Sales trainee, Marico Ltd

"I am incredibly grateful to St. Xavier's University, Kolkata, and its exceptional faculty for the transformational journey I experienced during my MBA. The rigorous academic curriculum, combined with the guidance and mentorship of the faculty, provided me with the knowledge, skills, and confidence to excel in the corporate world. I owe a debt of gratitude to this institution for being the cornerstone of my success, and I look forward to carrying the values and lessons learned here throughout my career."
